

# **DANGER AHEAD**

## **Early Warning Signs of Teen Dating Violence**

### **DOES YOUR PARTNER:**

- 🔥\* Isolate you from people you care about most or from friends you had before you began dating?
- 🔥\* Call you names and put you down OR put you on a pedestal and say things like “I don’t deserve you.”
- 🔥\* Frequently embarrass or make fun of you in front of other people or ignore you or your feelings?
- 🔥\* Use intimidation to make you do what he wants?
- 🔥\* Make you feel you can not disagree with them and there is no way out of the relationship?
- 🔥\* Make you perform sexual acts that you don’t enjoy?
- 🔥\* Threaten you with force, words, or weapons?
- 🔥\* Use alcohol or drugs as an excuse for saying hurtful things or abusing you? Not believe he has hurt you or blames you for what he has done?
- 🔥\* Get extremely angry and you don’t know why?
- 🔥\* Physically force you to do what you do not want to do?
- 🔥\* Get jealous of your other relationships and accuse you of being with others when you do not call.
